

Instructions

THIS IS A DEFAULT ENGLISH VERSION OF THE FORM. Please refer to the program rules and the French version of the form to make sure you provide the right information. To access the French version of the form, get back to the “My forms” tab and change the display language in the upper right corner of the screen.

The form, including all required documents, must be submitted before 10 September 2026 at 16:00.

Read the program rules ([program web page](#)) and the Common General Rules ([CGR](#)) to verify the eligibility requirements and to ensure that the form is filled out correctly. Also, make sure you are completing the form for the **right program**.

Refer to the [Presentation standards for PDF attachments to FRQnet forms](#) for complete presentation instructions.

IMPORTANT: Introduction of the new CV-FRQ to file directly in the application and in the simplified letter of intent form for the NSERC. From now on, this CV-FRQ replace the Canadian common CV and the file of detailed contributions for both the FRQ and the NSERC.

IMPORTANT: In parallel to the submission of the application on FRQnet, on behalf of the team, the PI must submit a simplified Letter of Intent to NSERC. Please refer to the 4.2 section in the program rules.

It is recommended that you validate the contents of your form well in advance of the deadline to allow you to make any necessary corrections. The « Validate Form » button is located at the bottom of the « Signature and Submission » section.

In all sections of the form with a « Save » button, it is important to save the information on the page before clicking the « Validate Page » button.

Pre-eligibility

I have read and undersood the eligibility requirements and the participation limits associated with the FRQ funding and career advancement continuum of which the NOVA program is part (sections 2 and 3.6 of program rules).
I have read and understood all the conditions listed in Section 3 of the program rules (Eligibility).
I understand that I must attach to my funding application all required documents enumerated in article 4.1 of the program rules.
I understand that all the required documents attached to my FRQnet application must respect the Presentation standards for files attached to FRQnet forms available under the “Portal Access” tab of the FRQ website and under the “Documents” menu section of the FRQnet electronic Portfolio.
I understand that in parallel with the submission of this application to the FRQ and prior to the competition deadline, I must submit to NSERC a simplified Letter of Intent as described in section 4.2.

Principal Investigator

Web Forms Form “PEPA REQUEST – NOVA”

In accordance with section 3.2 of the NOVA program rules, the principal investigator (PI) who wishes to submit a request for an exceptional extension of their eligibility period must complete the Web Forms form "PEPA REQUEST-NOVA".

This Web Forms form, along with the supporting documents, may be submitted confidentially at any time between July 9, 2026 and September 3, 2026 at 4:00 p.m.

The Fonds determines the exceptional extension to be granted based on the analysis of the documents provided and will send the response via the FRQnet electronic Portfolio.

None of the information shared in the Web Forms form will be forwarded to the evaluation committees. The information shared with the FRQ via the Web Forms form is used during the eligibility analysis.

The Principal Investigator is responsible for the scientific leadership and execution of the project, research program, or research infrastructure, as well as for the administrative and financial aspects related to the grant, including correspondence with the Fonds.

For eligible research statuses, please refer to the program rule. For definitions of statuses, consult the [FRQ Common General Rules](#) under the Status and Roles section.

Managing institution

The managing institution is the employing institution of the Principal Investigator. Note that the <i>Employing and managing institution</i> drop-down menu contains only Institutions recognized by the FRQ to manage funding. Once the information has been saved, the managing institution will be able to see this form in the Institutions portal. Managing institutions may set an internal deadline for the approval of applications that is earlier than the competition deadline. This date will be posted on the My forms section under Institutional deadline. It is essential that this form be submitted before the institutional deadline, or before the competition deadline. The institution must then approve it within the timeframe prescribed in Section 3.2 of the Common General Rules. For applicants employed by a college centre for technology transfer (CCTT), the associated college must be identified as the employing and managing institution.

Co-Investigators

Co-applicants list

Add coresearchers whose research status is eligible according to the program rules. Descriptions of research statuses are provided in the [Common General Rules](#). These are the individuals whose CV is taken into account when the application is evaluated. Individuals added to this form as co-investigators receive an email detailing the procedure to follow to confirm their participation in the application.

The employing institution indicated must be the one that remunerates the co-investigators.

For individuals employed by a college centre for the transfer of technology (CCTT), the affiliated college must be identified as the employing institution.

CO-INVESTIGATORS — Statuses 1, 2 and 3 of the Common General Rules

Québec co-investigators must send a descriptive CV in PDF format to the principal researcher. It is the responsibility of the principal researcher to attach all of these CVs in the FRQ CV COC section and to ensure that all co-investigators have confirmed their participation through their FRQnet portfolio, in the “As a co-investigator” section. This must all be done before the institution’s deadline to allow the form to be submitted. Consult the “My forms” page and click the link in the Other statuses column to verify this.

(The list is empty)

Eligibility Supplement – Co-Investigator

The Eligibility Supplement, with the template available in the program toolbox, must be completed by each co-investigator and sent to the principal investigator in PDF format. Each supplement must be attached separately as a PDF by the principal investigator (maximum 10 pages)

Co-investigators from outside Québec

Co-applicants list

Add co-investigators from outside of Quebec whose research status is eligible according to the program rules. Co-investigators from outside of Quebec need to send a descriptive CV in PDF format to the principal investigator. It's the principal investigator's responsibility to attach all these CVs to the CV-FRQ Co-I from outside Québec section and make sure all co-investigators from outside of Quebec have confirmed their participation through their FRQnet portfolio, in the “As a co-investigator” section. This has to be completed before the institution’s deadline so the form can be submitted. Check the 'My forms' page and click the link in the Other statuses column to confirm.

En accord avec la **Stratégie gouvernementale de développement durable 2023-2028**, le FRQ s’est donné comme objectif de favoriser un soutien financier qui s’appuie sur des principes de développement durable dans le cadre des subventions de recherche. Plusieurs éléments favorisent l’**écoresponsabilité** dans les règles générales communes :

- s’assurer, lors d’achat d’équipement, que ceux-ci sont les moins énergivores offerts sur le marché ;
- penser à la réutilisation d’équipement et à l’achat de matériel usagé lorsqu’applicable (art. 8.6);
- frais de compensation des émissions de carbone pour des déplacements qui sont une dépense admissible (art. 8.5).

Nous vous invitons également à consulter les services d’approvisionnement de votre institution, afin de connaître les pratiques d’acquisition responsable qui s’appliquent, dans le respect des objectifs gouvernementaux en la matière.

DECLARATION - CV-FRQ

I hereby declare and attest that:

- All information contained in this descriptive CV is accurate and faithfully reflects my contributions, including my scientific contributions.

Consent regarding personal and confidential information included in the descriptive CV

The personal and confidential information entered in the descriptive CV and collected by the FRQ is necessary and essential for the processing and evaluation of funding applications. For these reasons, the FRQ must also be authorized to communicate the information entered in the descriptive CV to authorized third parties (institutions, persons taking part in the evaluation process, program funding partners, etc.).

The information collected is handled in accordance with the [Act respecting access to documents held by public bodies and the protection of personal information](#) (CQLR, c. A2.1) (hereinafter: the Act) as well as the FRQ's [Statement regarding the protection of personal and confidential information](#) (hereinafter: the Statement).

- I have read the Statement and consent to the collection, use and disclosure of all personal and confidential information transmitted as part of the descriptive CV, in accordance with the terms described in the Statement and in the Act, provided that all persons having access to personal information undertake to respect its confidential nature.

Interruptions and slowdowns of the principal investigator

This section is optional. It allows the principal investigator (PI) to indicate, if they wish, any interruptions, slowdowns or other special circumstances that may have had an impact on their research and training activities and achievements.

This information will be sent to the evaluation committees so that the information provided can be taken into account when evaluating the PI’s CV. For more information on the use of this section, please refer to the [guidelines related to interruptions and slowdowns](#).

Note that this information **will not be used to determine eligibility** and will not be linked to your profile. The information will be used only for the present funding application and will not be carried forward to future funding applications. For more information about the collection, use, communication and retention of personal and confidential information provided in the funding application, consult the [Statement regarding the protection of personal and confidential information](#).

1. For each interruption, slowdown or other special circumstances in the PI’s training or career path:

a) Choose the option that best describes the **type of situation concerned**;

b) In the text box, indicate whether you are referring to an interruption, slowdown, or other type of circumstance. Indicate the start and end dates of the period in question, if applicable. If "Other" is selected, specify the circumstances involved.

Type de situation concernée

2. Attach a brief description of the **impacts of the reported situations on activities and achievements** (publications, funding, academic record, conferences, capacity for engagement, etc.).

The PI **does not need to detail personal and sensitive information** (e.g. it is not necessary to specify the medical condition or the type of handicap). They should only include information necessary to put the application in context. They should not **include any personal information regarding another person**.

This text should not exceed 11 lines. The FRQNT reserves the right to withhold from the application a description that exceeds the maximum number of lines.

COMMITMENTS OF THE APPLICANT

I declare and warrant the following:

1. All the **information** contained in the application and all the information I shall subsequently provide related to this form or eventual funding (documents or further details required by the FRQ, reports, etc.) is and shall be **accurate and complete**. I shall notify without delay the FRQ of any changes to the information I entered.
2. The co-investigators who will contribute to the research project and the other project collaborators listed in my application, if applicable, have confirmed their commitment to the research project and **authorized me to provide their personal and confidential information**.
3. I own all rights to the content of this application and take full responsibility for it. Where applicable, these responsibilities are shared with my co-investigators.
4. I have read and agree to comply with the obligations set out in the **Common General Rules** of the Fonds de recherche du Québec (hereinafter the “FRQ”) and the **FRQ’s Open Access Dissemination Policy** (see the DOCUMENTS tab), as they are updated periodically, and meet the terms set out in the **Program rules** to which I am applying, as well as all other terms set out in the award or grant letter and at the time the payments are made.
5. I have read and shall comply with the rules that pertain to research ethics, as they are updated periodically (see the DOCUMENTS tab), and the ensuing obligations and subscribe to the best practices in my area of research.
6. I have read and shall comply with the provisions of the **Policy for the Responsible Conduct of Research** of the FRQ (see the DOCUMENTS tab), as it is periodically updated, as well as those set out in institutional policies with regard to the responsible conduct of research, as they apply to my research activities. In the event of a breach of responsible conduct of research allegation, I accept that the FRQ may exchange personal and confidential information concerning myself with the managing institution and the following organisations, if applicable, in Canada or abroad: their financial partners for the program to which the allegation relates; any institution concerned by the allegation; and any public research funding agency concerned by the allegation. This information may include: the allegation, the supporting documents, the review report, the funding application as submitted by the FRQ, etc.
7. I am not currently ineligible to receive funding from a Canadian or international research funding agency as the result of a **substantiated case of breach**.
8. I shall advise immediately the FRQ if I become ineligible to apply for funding or receive funding from a Canadian or international research funding agency as the result of a **substantiated case of breach**. The continuation of any FRQ funding may then be considered by the FRQ Responsible Conduct of Research Committee.
9. I understand that **failure to comply with any of these commitments** may lead to the withdrawal of my application from the review process, or to the suspension, withdrawal, termination or even reimbursement of funding, or any other type of **administrative penalty** related to the privileges granted by the FRQ.

CONSENT REGARDING PERSONAL AND CONFIDENTIAL INFORMATION SUBMITTED AS PART OF THE APPLICATION PROCESS

The personal and confidential information collected by the FRQ in connection with funding applications and documents related to an award is necessary and essential to **process** and **evaluate** funding applications, from eligibility to the announcement of the award. In addition, some of this information will be used to **manage** grants. The collection of this information is **mandatory** for the applicant to submit an application and, if applicable, obtain funding.

The information collected is treated in accordance with the *Act respecting access to documents held by public bodies and the protection of personal information* (CQLR, c. A-2.1) (hereinafter: the Access Act) as well as with **the Statement respecting the protection of personal and confidential information** (see the "DOCUMENTS" tab)(hereinafter: the Statement).

- **I have read the Statement** and I consent to the collection, use and disclosure of all personal and scientific information contained in my file in accordance with the terms and conditions set out in the Statement and in the Access Act, provided that persons having access to personal information agree to respect the confidentiality of such information.
