

Environmental risk

If you have declared in the "Environmental Risk" section of your funding application that your project involves greater than minimal risk, please specify the mitigation measures you are proposing. If, in addition, your project is subject to environmental legal requirements, please also specify the measures that must be taken to comply with these legal requirements.

A one-page PDF document (8 ½ X 11) is allowed.

Type of document

Document on mitigation measures or legal requirements ▼
