

Are you curious, like Richard? Do you want to change the world through science?

Richard
Citizen

Thousands of volunteers work in history associations in Québec, but their contribution receives very little recognition.

How does this type of involvement influence the collective memory of Québec?

Take part in the *engage* program, which places you at the heart of a research project.

Your question intrigues me. Do you want to start a research project together?

Martin
Researcher

Submit your question **before September 15** and form a Duo with a researcher.
