## Pre-eligibility

At the competition deadline, I will be working on my doctorate or I will have received my doctoral degree within the last two years (date of issue).

I certify that I have never received a merit scholarship for foreign students from the Ministère de l'Éducation et de l'Enseignement supérieur du Québec (MEES) or the Fonds de recherche du Québec.

I certify that the institution(s) I have chosen for my postdoctoral research is (are) different from (and not attached to) the one that awarded or will award my doctoral degree, and my co-supervisory or cotutelle institution, where applicable.

I certify that, at the competition deadline, I will not be a Canadian citizen, permanent resident or applicant for permanent resident status in Canada.

I have read the rules of the program in which I am applying.

I understand that it is my responsibility to ensure that the person(s) designated to supervise or co-supervise my postdoctoral fellowship submit their forms before the competition deadline.

In the event that my doctoral degree has not yet been issued, I will have submitted my doctoral thesis before January 15, 2024.

## Host environment

Add the name of the supervisor of the postdoctoral fellowship for which you are applying for funding. When you save the page, the supervisor will automatically receive an acceptance letter form in the **As a director, supervisor or mentor** section of his/her FRQnet e-portfolio. Supervisor must fill and send in the form by the competition deadline.

If the supervisor gets an active FRQnet account, you have to enter the e-mail address linked to this account. If he/she does not have a FRQnet account, you must ask him/her to create one before you can add him/her in this section. The supervisor who had a Fonds de recherche du Québec PIN in the previous system must use it to access the new FRQnet system and activate his/her account. It is important to enter the address that is linked to the account so that he/she may retrieve the letter to fill in.

## Experience and achievements

En commençant par les plus récentes, vous devez présenter et décrire les expériences et réalisations qui vous ont permis de développer vos aptitudes en recherche.

### Expériences pertinentes

Les expériences comprennent, entre autres, l'enseignement, l'encadrement, l'assistantat et la participation à des projets ou à des stages de recherche. Vous devez veiller à distinguer les stages de formation en recherche obligatoires intégrés dans le cursus universitaire du programme d'étude, des stages facultatifs ou suivis à votre initiative personnelle. Également, identifier la personne qui a dirigé le stage ou le projet de recherche, ainsi que la date de début et de fin de l'activité.

### Réalisations scientifiques

Les réalisations scientifiques comprennent, entre autres, les conférences, les présentations et les publications.

### Consignes pour la présentation des publications :

Énumérer, en commençant par les plus récentes et par catégories, les publications avec arbitrage telles que les articles publiés dans une revue avec comité de lecture, les livres ou chapitres de livres publiés, les contributions à un ouvrage collectif, y compris les communications orales et par affichage. Mentionner, s'il y a lieu, les comptes rendus de conférence et actes de colloque (proceedings).

Indiquer, au moyen d'un astérisque, les publications avec arbitrage. Indiquer, s'il y a lieu, les politiques départementales particulières concernant les publications.

Les articles soumis sont considérés seulement s'ils sont accompagnés d'une copie de l'accusé de réception de l'éditeur et les articles acceptés pour publication doivent être accompagnés de la notification de l'éditeur (les accusés de réception ne sont pas requis pour les articles déjà publiés). Pour les articles soumis, joindre tous les accusés de réception et notifications dans un seul document, à la section Autres documents, sous le type de document « Articles soumis et acceptés – preuves ». Les articles en réparation ne sont pas pris en compte s'ils n'ont fait l'objet d'aucune soumission.

### Autres réalisations (l'ordre professionnel, social, etc.)

Présenter toute autre expérience ou réalisation qui pourraient témoigner de votre engagement en milieu académique ou hors milieu académique.

## Ethics

Indicate if your research Project involves:

**\*Check your choice**

- Participation of human beings.
- The use of human biological material (parts, products, tissue, cells, genetic materials, derived from a living or dead individual).
- Assisted procreation activities or the use of human embryos derived therefrom, within the meaning of the Act respecting clinical and research activities relating to assisted procreation (CQLR c. A-5.01).
- The use of administrative, scientific or descriptive data from human participants.
- Use of experimental animals, or animal parts, products or tissue.
- None of the above.

### Consideration of gender and sex

**This section will not be available to the evaluation committees.** If the information requested here is relevant to the evaluation of the funding application or required by the program, it should be repeated elsewhere in the funding application.

**\*Indicate whether the research involves gender or sex-based analysis (see article 5.5 of the Common General Rules for more information):**

- Yes, the notion of gender (sociocultural aspects) is taken into account.
- Yes, the notion of sex (biological aspects) is taken into account.
- No, the research does not take into account the notion of gender or sex.

**Describe how the research takes into account the notion of gender or sex, if it does not, explain why.**

## Signature and submission

### COMMITMENTS OF THE APPLICANT

I declare and warrant the following:

1. All the **information** contained in the application and all the information I shall subsequently provide related to this form or any funding obtained (documents or further details required by the Fonds, reports, etc.) is and shall be **accurate and complete**. I shall notify without delay the FRQ of any changes to the information I have entered.
2. The Co-Investigators named in my application as taking part in the research project or program and other project collaborators, if applicable, have confirmed their desire to participate in the research project or program and I **have obtained their authorization to provide their personal and confidential information**.
3. I have read and agree to comply with the obligations set out in the *Common General Rules* of the Fonds de recherche du Québec (Fonds de recherche du Québec – Nature et technologies, Fonds de recherche du Québec – Santé, Fonds de recherche du Québec – Société et culture, hereinafter the “FRQ”) and the FRQ’s *open access policy* for the dissemination of research, as they are updated periodically (see the « DOCUMENTS » tab), and to comply with all terms and conditions set out in the *Programrules* to which I am applying, as well as all other terms set out in the award or grant letter and at the time the payments are made.
4. I have read and agree to comply with the standards of ethics and integrity of the FRQ, including those set out in the *Politique d’éthique et d’intégrité* (see the « DOCUMENTS » tab), as updated periodically, taking into account any adaptations applicable in Québec and the ensuing obligations, and to subscribe to the best practices in my area of research.
5. I have read and agree to comply with the provisions of the *Policy for the Responsible Conduct of Research* of the FRQ (see the « DOCUMENTS » tab), as updated periodically, as well as those set out in institutional policies with regard to the responsible conduct of research, as they apply to my research activities. In the event of a breach of responsible conduct of research allegation, I accept that the FRQ may exchange personal and confidential information concerning myself with the managing institution and the following organisations, if applicable, in Canada or abroad: their financial partners for the program to which the allegation relates; any institution concerned by the allegation; and any public research funding agency concerned by the allegation. This information may include: the allegation, the supporting documents, the review report, etc.
6. I am not currently eligible to receive funding from a Canadian or international public funding agency as the result of a **substantiated breach of responsible conduct of research**.
7. I shall immediately advise the Fonds to which I am submitting this application should I become ineligible to apply for funding or receive funding from a Canadian or international public funding agency as the result of a **substantiated breach of responsible conduct of research**. The continuation of any FRQ funding may be subject to review by the FRQ Responsible Conduct of Research Committee.
8. I understand that **failure to comply with any of these commitments** may lead to the withdrawal of an application from the review process, or to the suspension, withdrawal, termination or even reimbursement of funding, or any other type of administrative penalty related to the privileges granted by the FRQ.

### AUTHORIZATION REGARDING PERSONAL AND CONFIDENTIAL INFORMATION SUBMITTED AS PART OF THE APPLICATION PROCESS

The information entered on the funding application forms, and all other forms relating to the management of any funding, shall be treated confidentially and in accordance with the Act respecting Access to Documents Held by Public Bodies and Protection of Personal Information (CQLR c A-2.1, hereinafter the Act), as well as with the *Statement regarding the protection of personal and confidential information* (see the « DOCUMENTS » tab, hereinafter the "Statement").

- **I have read the *Statement*** and authorize the Fonds to keep, use and release all the personal and scientific information contained in my personal file, in accordance with the terms set out in the *Statement* and the Act, and on the condition that the individuals authorized to access my personal information undertake to treat it confidentially.
