

Registration

You must make sure to use the form corresponding to the chosen program. In the event of an error, you will have to abandon the request and start a new one.

IMPORTANT

By clicking on **Submit** this form will be automatically sent to the institution for approval. Following the approval given by the institution, your application form will be automatically submitted to the FRQ if the deadlines are respected.

The "Form status" column allows you to track the approval and submission process of your application form.

Eligibility criteria can be found at [the program guide](#). It is important to carefully read the common general rules ([RGC](#)) as well as all relevant documentation before starting to fill out this form, in particular the eligibility requirements.

Consult the [Presentation standards for files \(PDF\) attached to FRQnet forms](#) available in the **Documents** section of the FRQnet electronic portfolio to read all the presentation instructions.

In all sections of the form where a "Save" button is present, it is important to save the information of the page before clicking on the "Validate the page" button.

Managing institution

The managing institution is the employing institution of the Principal Investigator. Note that the *Employing and managing institution* drop-down menu contains only [Institutions recognized by the FRQ to manage funding](#).

Once the information has been saved, the managing institution will be able to see this form in the Institutions portal.

For applicants employed by a college centre for technology transfer (CCTT), the associated college must be identified as the employing and managing institution.

Title and research fields

Title

Indicate the title of your funding application.

***Title**

Must be in French

Only if your application is written in English, complete the field hereunder.

Title in English

Classification

A complete list of permitted values for the different drop-down lists used in the Fonds research classification system is available in the [Documents](#) section.

List, in order of priority, the research sector(s) to which your research activities belong.

***Sector 1.**

2.

3.

4.

Indicate the research discipline(s) that best describe the research.

***Discipline 1.**

Discipline 2.

Indicate the main field of research to which your application belongs.

***Field of research**

Indicate the research topics that apply to your application.

***Research topic 1.**

Research topic 2.

Indicate the field and sub-field of application in which your research activities take place.

Field of application

Sub-field of application

Indicate six keywords, from the most general to the most specific, that best describe your research project or program.

***Keywords**

Name:

File number: 337415

Abstract

Should funding be granted, I agree to allow the FRQ to publicly release the lay abstract and title on this page in whole or in part and by any means (Web site, Facebook, Twitter, etc.).

Accordingly, I am not including personal information or confidential or protected information whose release may compromise a patent filing or publication request.

The FRQ shall comply with all applicable copyright laws, in particular by referring to the author. The FRQ reserve the right to edit the text without notice before releasing it.

Yes No

Abstract for a general audience

Describe the collaborative project in a summarized manner, in language that can be understood by the audience.

***Abstract in French**

Only if your application is written in English, complete the field hereunder.

Ressources, responsibilities and contribution

Available resources

Describe briefly (maximum 500 words):

- a) the size and location of the laboratory;
- b) the particular equipment;
- c) the common facilities available to the applicant for the achievement of his research program;
- d) any other support.

Available resources

Tasks and responsibilities

Indicate the tasks and responsibilities that the international co-investigator candidate must assume beyond his/her research. Describe the nature, the institution in which they occur and time (hours /year) to achieve them (maximum 500 words):

- a) teaching activities (excluding the supervisory of research students);
- b) administrative tasks;
- c) describe the clinical activities and estimate the percentage of time required;
- d) other.

Tasks and responsibilities

Contribution of the international co-investigator

Explain the strategic significance of the international co-investigator's participation in the center or the department (maximum 500 words).

Contribution of the international co-investigator

Name:

File number: 337415

Ethics

Indicate if your research Program involves:

***Check your choice**

- Participation of human beings.
- The use of human biological material (parts, products, tissue, cells, genetic materials, derived from a living or dead individual).
- Assisted procreation activities or the use of human embryos derived therefrom, within the meaning of the Act respecting clinical and research activities relating to assisted procreation (CQLR c. A-5.01).
- The use of administrative, scientific or descriptive data from human participants.
- Use of experimental animals, or animal parts, products or tissue.
- None of the above.

Environmental risk

This section will not be available to the evaluation committees. If the information requested here is relevant to the evaluation of the funding application or required by the program, it should be repeated elsewhere in the funding application.

* Indicate the level of environmental risk associated with the research (consult « [Environmental Responsibility](#) » for more information) :

- A) Minimal risk** : the environmental impact does not exceed the impact of day-to-day human activities. In the event of funding you will need to specify the mitigation measures being considered or the measures that must be taken to comply with legal requirements.
- B) Greater than minimal risk** : the environmental impact exceeds the impact of day-to-day human activities. In the event of funding you will need to specify the mitigation measures being considered or the measures that must be taken to comply with legal requirements.

Consideration of gender and sex

This section will not be available to the evaluation committees. If the information requested here is relevant to the evaluation of the funding application or required by the program, it should be repeated elsewhere in the funding application.

***Indicate whether the research involves gender or sex-based analysis (see article 5.5 of the Common General Rules for more information) :**

- Yes, the notion of gender (sociocultural aspects) is taken into account.
- Yes, the notion of sex (biological aspects) is taken into account.
- No, the research does not take into account the notion of gender or sex.

Describe how the research takes into account the notion of gender or sex. If it does not, explain why.

File number: 337415

Other documents

Attach the supporting documents to your funding request. They will be added at the end of the form. **Only one file per type of document is allowed.** Make sure to use all the possible options to optimize the size of your documents (black / white, image size, Acrobat optimization options, etc.) furthermore, ensure that PDF documents are not protected and that they do not contain bookmarks.

Consult the [Presentation standards for files \(PDF\) attached to FRQnet forms](#) available in the **Documents** section of the FRQnet electronic portfolio to read all presentation instructions.

Consult the program rules to find out which documents are required according to your situation and what specific information to provide in each document. Any document not required will be withdrawn from the funding request for its evaluation by the scientific committee.

Signature and submission

COMMITMENTS OF THE APPLICANT

I declare and warrant the following.

1. All the **information** contained in the application and all the information I shall subsequently provide related to this form or eventual funding (documents or further details required by the Fonds, reports, etc.) is and shall be **accurate and complete**. I shall notify without delay the FRQ of any changes to the information I entered.
2. The Co-Investigators who will contribute to the research project and the other project collaborators listed in my application, if applicable, have confirmed their commitment to the research project and **authorized me to provide their personal and confidential information**.
3. I have read and agree to comply with the obligations set out in the **Common General Rules** of the Fonds de recherche du Québec (Fonds de recherche du Québec – Nature et technologies, Fonds de recherche du Québec – Santé, Fonds de recherche du Québec – Société et culture, hereinafter the “FRQ”) and the **FRQ’s open access policy for the dissemination of research** (see the DOCUMENTS tab), as they are updated periodically, and meet the terms set out in the **Program rules** to which I am applying, as well as all other terms set out in the award or grant letter and at the time the payments are made.
4. I have read and shall comply with the standards of ethics and integrity of the FRQ, including those set out in the set out in **Standards sur l’éthique de la recherche en santé humaine et l’intégrité scientifique** (see the DOCUMENTS tab), as it is periodically updated, and the ensuing obligations and subscribe to the best practices in my area of research.
5. I have read and shall comply with the provisions of the **Policy for the Responsible Conduct of Research** of the FRQ (see the DOCUMENTS tab), as it is periodically updated, as well as those set out in institutional policies with regard to the responsible conduct of research, as they apply to my research activities. In the event of a breach of responsible conduct of research allegation, I accept that the FRQ may exchange personal and confidential information concerning myself with the managing institution and the following organisations, if applicable, in Canada or abroad: their financial partners for the program to which the allegation relates; any institution concerned by the allegation; and any public research funding agency concerned by the allegation. This information may include: the allegation, the supporting documents, the review reports, etc.
6. I am not currently ineligible to receive funding from a Canadian or international research funding agency as the result of a **substantiated case of breach**.
7. I shall advise the Fonds to which I am submitting the application should I become ineligible to apply for funding or receive funding from a Canadian or international research funding agency as the result of a **substantiated case of breach**. The continuation of any FRO funding may then be considered by the FRQ Responsible Conduct of Research Committee.
8. I understand that **failure to comply with any of these commitments** may lead to the withdrawal of my application from the review process, or to the suspension, withdrawal, termination or even reimbursement of funding, or any other type of **administrative penalty** related to the privileges granted by the FRQ.

AUTHORIZATION REGARDING PERSONAL AND CONFIDENTIAL INFORMATION SUBMITTED AS PART OF THE APPLICATION PROCESS

The information entered on the funding application forms and all other forms relating to the management of eventual funding shall be treated confidentially and in accordance with the *Act respecting Access to Documents Held by Public Bodies and Protection of Personal Information* (CQLR c A-2.1, hereinafter *the Act*), as well as with the *Statement regarding the protection of personal and confidential information*, see the DOCUMENTS tab, hereinafter the “Statement”).

- I have read the *Statement* and authorize the Fonds to keep, use and release all the personal and scientific information contained in my personal file, in accordance with the terms set out in the *Statement* and the *Act*, and on the condition that the individuals authorized to access my personal information undertake to treat it confidentially.
