The pre-application form is mandatory to submit an application for this program.

The pre-application form including all required documents must be submitted **before the deadline set by the institution** that will approve your application. Following the approval given by the institution, your application form will be automatically submitted to the FRQS if the deadlines are respected.

To find out your institution's deadline, you must first indicate the institution and save it at the section **Managing institution** in your application form. The institution's deadline will be displayed under the **Your institution's deadline** column on the **My forms** page. In addition, the value under the **Form status** column allows you to track the approval and submission process of your application form.

It is important to carefully read the program rules ([programme web page](#)), the Common General Rules ([RGC](#)) and all relevant documentation before beginning to complete this form, especially the eligibility requirements.

Make sure you are using the correct form for the program you have chosen. If you make a mistake, you will have to abandon the application and start a new one.

Refer to the [Presentation standards for PDF attachments to FRQnet forms](#) available in the **Documents** of the FRQnet E-portfolio for complete presentation instructions.

Prior to the submission of this form, the Canadian Common CV must be transmitted and the .PDF file of the detailed contributions must be attached in the **Canadian Common CV** section of the FRQnet E-portfolio.

Fields marked with an asterisk (*) are mandatory. In all sections of the form with a "Save" button, it is important to save the information on the page before clicking the "Validate the page" button.
