Discuss the following points:

- Indicate to what extent the candidate's research project falls within your research activities.
- Indicate the type of supervision offered to the candidate and the activities planned to promote their integration. Pour les programmes de bourses de formation : s'il s'agit d'une personne candidate qui doit utiliser sa bourse de formation au Québec, confirmer qu'en cas d'octroi, celle-ci poursuivra ses activités de recherche avec une présence physique continue sur le territoire québécois pendant toute la durée du financement conformément aux [Règles générales communes](#) (RGC 2.1).
- Show how the host setting offered to the candidate will allow him/her to achieve his/her objective.
- Additional information that could help the assessment committee to better know the host setting.
- Describe the material resources which will be available for the candidate to achieve his/her project.

A maximum of two (2) pages are allowed for your document, which must be attached in PDF format.

Signature and submission

1. I certify that the information that I have provided and shall provide regarding this application or an eventual grant is accurate and complete.
2. I have read the application for funding and applicable Program rules.
3. I shall supervise the applicant's research and provide the applicant with the material and financial means required to carry out the research project, when applicable according to the Program rules.
4. If the applicant is required to use the award in Quebec in accordance with the Common General Rules (see the "DOCUMENTS" tab), I confirm that, if granted, the applicant will pursue their research activities with a continuous physical presence in Quebec.
5. In my role as supervisor, I shall adopt a responsible conduct in research, comply with the generally accepted standards of ethics and integrity and support and encourage the applicant with regard to their commitment to the ethical and responsible conduct of research. These standards are outlined in the **Common General Rules**, in the **FRQ's Open Access Dissemination Policy**, in the **Policy for the Responsible Conduct of Research** of the FRQ, in the **FRQNT Politique d'éthique en recherche du FRQNT** (for an application submitted to the FRQNT) or in the **Tri-Council Policy Statement 2** (with the adaptations specific to the Québec context, for an application submitted to the FRQSC), as they are periodically updated (see the DOCUMENTS tab) and in the policies of the institutions with which the applicant and I are affiliated.
6. In the event of a breach of responsible conduct of research allegation, I accept that the FRQ may exchange personal and confidential information concerning myself with the managing institution and the following organisations, if applicable, in Canada or abroad: their financial partners for the program to which the allegation relates; any institution concerned by the allegation; and any public research funding agency concerned by the allegation. This information may include: the allegation, the supporting documents, the review report, etc.

CONSENT REGARDING PERSONAL AND CONFIDENTIAL INFORMATION

The information collected is treated in accordance with the Act respecting access to documents held by public bodies and the protection of personal information (RLRQ, c. A-2.1) (hereinafter: the Access Act) as well as with the **Statement respecting the protection of personal and confidential information** (see the "DOCUMENTS" tab) (hereinafter: the Statement).

1. I have read the Statement and I consent to the collection, use and disclosure of the information that I have provided in accordance with the terms and conditions set out in the Statement and in the Access Act.
2. I understand that, in accordance with the Act, the applicant may request to access the information contained in their FRQ file. I understand that all the information I shall provide to the FRQ in relation to their application, including my own personal information, may be accessed by the applicant upon their request.
