THIS IS A DEFAULT ENGLISH VERSION OF THE FORM which has not been fully validated.

Please refer to the program rules and the French version of the form to make sure you provide the right information. To access the French version of the form, get back to the **My forms** page and change the display language in the upper right corner of the screen.

The pre-application form is mandatory to submit an application for this program.

The application form including all required documents must be submitted **before the deadline set by the institution** that will approve your application. Following the approval given by the institution, your application form will be automatically submitted to the FRQS if the deadlines are respected.

To find out your institution's deadline, you must first indicate the institution and save it at the section **Managing institution** in your application form. The institution's deadline will be displayed under the **Your institution's deadline** column on the **My forms** page. In addition, the value under the **Form status** column allows you to track the approval and submission process of your application form.

It is important to carefully read the program rules ([programme web page](#)), the Common General Rules ([RGC](#)) and all relevant documentation before beginning to complete this form, especially the eligibility requirements.

Make sure you are using the correct form for the program you have chosen. If you make a mistake, you will have to abandon the application and start a new one.

Refer to the [Presentation standards for PDF attachments to FRQnet forms](#) available in the **Documents** of the FRQnet Electronic Portfolio for complete presentation instructions.

Prior to the submission of this form, the Canadian Common CV must be transmitted and the .PDF file of the detailed contributions must be attached in the **Canadian Common CV** section of the FRQnet Electronic Portfolio.

Fields marked with an asterisk (*) are mandatory. In all sections of the form, with a "Save" button, it is important to save the information on the page before clicking the "Validate the page" button.

The "Validate submission" button in the **Signature and submission** section allows you to check whether the required information is complete.

Co-applicants list

Add co-investigators whose research statuses are eligible under the program rules. Status descriptions are provided in the [FRQ Common General Rules](#). Co-investigators' CVs are considered in the application evaluation. Individuals identified as co-investigators in this form will receive an email procedure for confirming their participation in the application and submitting their CV.

OTHER CO-INVESTIGATORS – Research statuses (4) of the Common General Rules

Add co-investigators with "Other research statuses" who are eligible under the program rules and do not have research statuses (1), (2) or (3) as defined by the CGR.

Les personnes de statuts 4b doivent acheminer un CV abrégé de deux pages en format PDF au chercheur principal ou à la chercheuse principale, tandis que les personnes de statut 4a) doivent acheminer leurs CV et leurs contributions détaillées en format PDF.

It is the principal investigator's responsibility to attach all these abbreviated CVs in a single document and to ensure that all Status 4a) and 4b) co-investigators have confirmed their participation via their FRQnet portfolio section As a co-investigator. This must be done before the institution deadline to allow for submission of the application form. Go to the "My forms" page and click on the link in the "Other statuses" column to verify.

Les personnes des milieux de pratique (équivalent du statut 4c) des RGC), les artistes (statut 4d)) et les usagers ou usagères (citoyens ou citoyennes – équivalent du statut 4e)) des RGC membres de l'équipe doivent être ajoutés dans une autre section du formulaire prévue à cet effet.

Personnes des milieux de pratique et citoyens ou citoyennes

Lister les personnes membres de l'équipe ayant un rôle important à jouer dans le projet, allant au-delà de la collaboration, et qui sont des personnes des milieux de pratique, des artistes et des citoyens ou citoyennes. Indiquer leur nom, leur prénom, leur organisation (si applicable) ainsi que le type de participation (1, 2 ou 3 – voir plus bas).

La contribution de ces personnes est réputée être aussi significative que celle, par exemple, des chercheurs et chercheuses universitaires ou de collègue, et peut être reconnue de différentes manières.

TYPE 1 : Personnes des milieux de pratique

La personne des milieux de pratique est une personne dont la contribution au projet repose sur son savoir-faire, ses compétences et ses connaissances en lien avec l'exercice d'activités de nature professionnelle, entrepreneuriale ou technique. La contribution de cette personne ne repose pas sur une expertise en recherche ou en recherche-crédation. Une personne exerçant des activités artistiques ou littéraires est exclue de cette catégorie. La personne est employée par ou dirige une organisation québécoise.

Quelques exemples de personnes des milieux de pratique – équivalent du statut 4c) des RGC :

- Un entrepreneur ou une entrepreneure
- Un professionnel ou une professionnelle de la santé travaillant dans un C.S.S.S. ou un C.U.S.S.
- Le directeur général ou la directrice générale d'un organisme communautaire ou à but non lucratif
- Un employé ou une employée d'une ville ou d'une municipalité

TYPE 2 : Artistes

L'artiste est une personne dont la contribution au projet repose sur ses compétences en création ou en interprétation d'œuvres, lesquelles sont mises à profit dans un contexte professionnel. Il ou elle travaille à son compte et est domiciliée au Québec ou travaille pour une organisation québécoise.

L'artiste a l'équivalent du statut 4d) des RGC.

TYPE 3 : Citoyens ou citoyennes

Le citoyen ou la citoyenne est une personne domiciliée au Québec et qui contribue à titre individuel au projet. Sa contribution est centrée sur son savoir expérientiel grâce auquel elle détient généralement un rôle clé dans le projet. Ses compétences et ses connaissances peuvent être de nature diverse tant professionnelles, techniques que pratiques, mais elles sont surtout personnelles en raison – par exemple – de son vécu, de son expérience de terrain ou encore de sa culture. La contribution du citoyen ou de la citoyenne au projet ne doit pas s'inscrire dans les fonctions professionnelles pour lesquelles il ou elle reçoit une rémunération, auquel cas sa contribution s'apparente davantage à celle d'une personne des milieux de pratique.

Quelques exemples de personnes pouvant être en tant que citoyens ou citoyennes - équivalent du statut 4e) des RGC :

- Un usager ou une usagère des soins et services de santé
- Un proche aidant ou une proche aidante
- Un résident ou une résidente d'une ville ou d'une région rurale étant interpellé par des questions sociétales ou environnementales, notamment, et qui souhaite s'investir dans une démarche de recherche
- Une personne souhaitant s'investir dans une démarche de recherche, en raison d'un intérêt pour la science en général ou en lien avec un sujet donné

Noter que les personnes des milieux de pratique, artistes et citoyens ou citoyennes n'ont pas à donner leur consentement dans FRQnet afin de figurer dans la composition de l'équipe. En outre, ces personnes ne détiennent pas de responsabilité administrative ou légale en lien avec le projet.
